## Weekly Bulletin - 19.04.2024

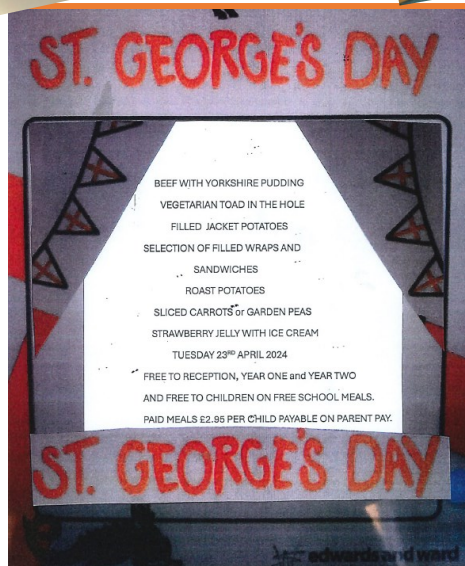

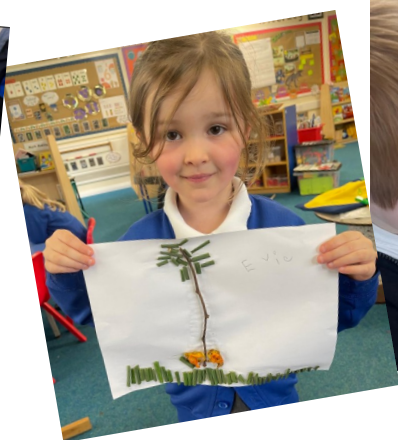

### Spot light on - Reception

This week, Reception have been super busy. They received a special delivery this week - a group of little caterpillars! They have learnt all about the lifecycle of a caterpillar, and they are curious to watch them grow and, eventually, turn into butterflies.

In maths, they have been learning all about the numbers 6 and 7. They have been exploring the number in their environment and using resources to help them make the amount.

If you see a member of reception, ask them what they know about keeping their bodies healthy by choosing healthy snacks to eat, and by washing their hands properly - with soap!

For expressive arts and design, Mrs Guney's favourite, they have been looking at our wonderful school grounds and then recreating the landscape using natural resources that they have collected. What a busy week!

### Summer Fair

PTA are holding a summer fair again this year on Saturday 29th June. We still have some spaces available for stall holders. If you would like to book a stall at this successful event, these are available to book through school at £15 per stall.

### PTA - Easy fundraising

Did you know that we're registered with easy fundraising? And that you could help us to raise funds for the school at no extra cost to yourself?
